---

The meeting of the Board of Studies in Chemistry of Athalye Sapre Pitre College, Devrukh was held on 25<sup>th</sup> April 2019 at 10.30 am in the meeting hall of the college. The agenda was placed before the committee and the following decisions were taken in the meeting.

**Minutes of the meeting:-**

**Item No. 1- Welcome of the all members**

Dr. Sagar Sankpal, Head, Department of Chemistry welcomed all the members of the Board of Studies by offering a flower as a token of love on the behalf of the college.

**Item No.2- Discussion on the Internal Assessment of the students**

The committee has approved the 70:30 Examination pattern for all the programmes. 30 marks have been allotted for the internal assessment. The committee has proposed the following distribution for the internal marks-

- 1) 10 Marks should be allotted for internal test. (10 marks test should be conducted on each unit and finally the marks will be converted to 10)
- 2) 10 Marks should be allotted for attendance
- 3) 10 marks for small projects/ subject related activities like
  - a) Poster Presentation
  - b) Research Work
  - c) Write up
  - d) Literature Survey
  - e) Scientific knowledge activity etc.

The Board has approved to conduct the additional examination for the students who will remain absent for the internal test on the basis of medical ground/ NSS/ NCC/Sports activities where they will represent the college.

**Item No.3- Semester End External Examination pattern**

Committee has proposed the following question paper pattern for the Semester End Examination (70 marks)

- a) Question 1- 10:marks objective type question based on syllabus of all units (5 objective and 5 marks short questions)
- b) Question 2- 20 marks based on Unit I
- c) Question 3- 20 marks based on Unit II
- d) Question 4- 20 marks based on Unit III

(Each question will have has six options a,b,c,d,e,f and a student has to attempt any four)

**Item No.4- Practical Examination**

Board has approved that the practical examination should be conducted for each semester before theory examination.

**Item No.5- Discussion and preparation of the F.Y.B.Sc. Syllabus**

All members of the Board have suggested very constructive changes in the syllabus of F.Y.B.Sc. Semester I and II. The draft copy of the syllabus is attached herewith (Annexure I). Theory as well as practical syllabus was prepared by the Board and it should be keep for the approval of the academic council.

**Item No.6- Preparation of the panel of external examiners and paper setters**

The Board has authorised the Head, Department of Chemistry to prepare and recommend the name of Examiners, Moderators and Paper setters from the nearby University approved college teachers.

**Item No.7- To start skill based certificate courses for UG and PG programmes**

Based on the local and industrial need the following skill based/ Value added courses has suggested by the members.

- 1) Analytical Instrumentation Course
- 2) Soft Skill Certificate course
- 3) Soil and water analysis
- 4) Food processing and preservation

It is resolved that among the above list at least one course should be start from the next academic year.
